Glenn W. Zeiders '59
Mr. Blodgett played no encores. The next artist, tritely, to rename-the Krummhorn, the Krummyhorn.

... to the middle and upper ranges, drop off drastically in harmonic register, fine technique, and a genuine warmth of interpretation were the significant contributing factors in its presentation, Mr. Holstman's creation seems well suited to the performance of contemporary music. This reviewer would like to see it programmed more often.

... the noisy swell shades detracted from this piece completely. 

... this reviewer would like to see it programmed more often. 

... excellent registration, fine technique, and a genuine warmth of interpretation were the significant contributing factors in its presentation, Mr. Holstman's creation seems well suited to the performance of contemporary music. This reviewer would like to see it programmed more often.
