IM Track Meet to Be Held Soon

The intramural track meet will be held on the Tech track, Sunday, May 11, under the supervision of Dave Kelnhofer, intramural track manager. In case of rain the meet will be postponed until May 18.

The seven events which feature two relays are: Shot Put, Broad Jump, High Jump, 100 yard dash, 440 yard dash, and 880 yard sprints. No varsity or freshmen trackmen or anyone who has won an intramural letter in track will be eligible to participate in the meet.

Last year a great number of Tech men tried their skill at being a cinderman for an afternoon. It is expected that many great trackmen will be discovered in this meet. Sigma Al- pha Epsilon will be defending champions.

The spring egg roll, which was can- cell last Saturday due to snow, will be held this Saturday at 11 o'clock in the Great Court. TCA announces that it will lay eggs at 8:30 a.m. that day, and that the Cambridge children will roll at noon.
