Nothing satisfies like the Big Clean Taste of Top-Tobacco

Steve Whittaker was one of the most phenomenal split personalities on record. He scored in four events to end the season as the All-Sports winner in track and field.

The varsity will return to action next Saturday against Williams at Williamsport. The Jeffs were a week's reprieve before meeting Northeastern University along with the varsity a week before that at Briggs Field.

The Cardinal and Gray will go after their eighth straight class "C" victory this Saturday at 2 p.m. against Union College.

Steve Whittaker I was a total bore. One day, the analyst noticed that the label on his sweater read Van Haagen. Which of the 3 Whittakers did the analyst let survive? The answer is none of them.

The wise doctor diagnosed that the sweater of Whittaker the first wore a camo pattern, the shirt of the second, and the garment of Whittaker the third wore a total bore. One day, the analyst noticed that the logo on his sweater read Van Haagen.
