Lacrossemen Extend Lead to 9 Smashing Tufts 12-7 Wednesday

After a close first quarter, the M.I.T. lacrosse settled down to a demonstration of the kind that has been building up for the past couple of weeks. They were ahead 12 to 3 at the half and 9 to 2 in the third quarter, while allowing their opponents 30 of the 32 shots in the game. The Tufts squad is the first to be shut out by a third of the team for the past month, and their opponents had a difficult time scoring.

In the fourth quarter, the Beavers, with Rob Rosenfeld, kept the score even at 12 to 12, and the final result was 12 to 9. The Tufts team was led by Steve Talley, who matched a Tufts score with a one-man assist goal.

In the second quarter, Poitras' second goal answered back with one, but Poitras' assist by Jim Poitras, and Tufts' third goal. Although the Tufts team missed several scoring opportunities in the last quarter, they continued to maintain their tremendous scoring potential. Tufts' second goal came with about two minutes left in the game, but M.I.T. had already built up a dominant lead. The Tufts team's success was attributable to their ability to keep the ball around their opponents' cage. Their effective attack, coupled with a sturdy defense, contributed to the Tufts team's taking two more shots in the final quarter, while allowing their opponents only three.

This decisive victory over Tufts brought the Engineers' one step closer to the National Collegiate Championship. They began the season with a convincing victory against Baccell's and Aldredge, making them strong candidates for the Class C Championship.
