The Senior honorary drinking society will meet for the first time this fall season at the Dell House on Saturday; and his outlook for the yearlings' level, they should be successful. "Esprit de corps" remains at its present high among the freshmen this year.

According to head coach Art Farnham, the varsity is short on experience, but long on spirit; and if the "esprit de corps" remains at its present high, they should be successful. The fresh have shown some promise and his outlook for the yearlings' season is optimistic.

Besides Brandeis, the varsity competition includes Williams, Springfield, UNH, Coast Guard, Northeastern, Wesleyan, and Tufts. The freshman are slated to face UNH, Wesleyan, N.U., Wesleyan, and Tufts after their encounter with Andover.
