Hillman And Becker

The sixth Annual Harvard Debate Tournament was held on Feb. 6, 7, and 8. Seventy-six teams from sixty-six schools participated debating on the national topic: Resolved: That the further development of nuclear weapons should be prohibited by international agreement. Participating schools were Ohio State, Chicago University, SMU, Navy, U. of Georgia, Columbia, Northwestern, Dartmouth, Carnegie Institute of Technology, Washington U. of St. Louis, and the U. of Kentucky.

MIT’s participants were Robert Hillman ’59, and Richard Becker ’62. They had a seven-one won-lost record in the eight preliminary rounds, losing to Ohio State. This record was good enough to qualify for the quarter finals along with Pitt, Northwestern, Michigan, Washington U., Tufts, St. Anselms and Ohio State. They defeated Harvard in the Quarter Finals and Ohio State in the Semi Finals. They finally lost to Northwestern (present National Champions) in the finals by a three to two decision.

In the eight preliminary rounds, MIT had the highest point score with 345 points out of a possible 500 points. Robert Hillman was first speaker in the Debates and Ohio State in the Semi Finals.Tufts, St. Anselms and Ohio State. They defeated Harvard in the Quarter Finals and Ohio State in the Semi Finals. They finally lost to Northwestern (present National Champions) in the finals by a three to two decision.

MIT Outing Club Plans Skiing And Square Dancing

The MIT Outing Club is centering a number of activities around its recently completed cabin at Intervale, New Hampshire. Numerous trips are based from the cabin and various social functions are scheduled in it.

Winter mainteinance is currently being actively practiced. Numerous ski slopes are within the vicinity of the cabin. Wildcat, Black Mountain, Intervale, Cranmore, and Tuckerman’s Ravine are favorite downhill slopes, while the White Mountain National Forest and Pemigawesset have good cross-country and snow shooting facilities.

The cabin will have sleeping accommodations for forty people and contains a gas stove for cooking. It is available to non-members at a rate of $1.5 per night. Sing fests and square dances are held quite often. The Mount Intervale Outing Club will hold a square dance at the cabin on February 14, and the Smith Club will travel to the cabin on March 7.

All necessary equipment and additional information may be obtained from the Outing Club office on the third floor of Waban Memorial.

MIT Outing Club plans its 14th Annual tournament on Feb. 15th and 16th. For any further information call Richard Becker, Holman 303 East Campus or Robert Hillman 327-4297.

JOB OPPORTUNITIES!

A General Motors representative will be on campus February 18, 19 and 20.

Contact your college placement office to arrange an interview.

At General Motors, there's room to stretch your imagination!

GM positions now available in these fields for men holding Bachelors, Masters' and Doctors' degrees: Mechanical Engineering · Electrical Engineering · Industrial Engineering · Metallurgical Engineering · Chemical Engineering · Aeronautical Engineering · Ceramic Engineering Mathematics · Industrial Design · Physics Chemistry · Engineering Mechanics.

A single control starts, stops, and steers the Edsel II!—or this GM "laboratory on wheels" can be safely guided by electronic impulses sent from a cable buried under the road!

One way for a lot more—maybe you.

In addition to research in the automotive and appliance fields, General Motors and its divisions are concerned with solar energy, astrophysics, aerodynamics, electronics, and many fields of space engineering. If these areas of scientific study challenge your imagination, perhaps GM has a place for you as one of its scientists in 71 cities.

Here is a real opportunity to put your imagination to work on everything from tiny transistors to dynamic diesels.
