IfC Has Election of Officers
Verderber Is Elected President

Verderber, who replaces Dick Oeler as executive officer, said, "IfC has done a lot in the past. But through my efforts, I hope to do a lot in my fresh-
man year. Previous to this election day, I have served as chairman of the conference planning committee, and through all of my other activities in IfC, I have had the opportunity to observe what has not yet been done."

He made the conference more of an idea source making it more efficient the difference that it is a strict regulatory body.

I-mportant Regional Assembly as a strict regulatory body. Regional Assembly as a strict regulatory body.

Among his other current activities is his fresh-
man year. Previous to this election day, I have served as chairman of the conference planning committee, and through all of my other activities in IfC, I have had the opportunity to observe what has not yet been done."
