VARSITY LACROSSE TEAM CRUSHES ARMY PLEBES, ADEPHI; SUCCESSFUL SPRING TRIP HERALDS A VICTORIOUS SEASON

While MIT students were enjoying the freedom of spring vacation, the varsity lacrosse team enjoyed a highly successful trip, emerging a practically invincible Army globe team 14-2 on March 30 in a rematch and brushing Adelphi 12-2 in the regular season opener on April 1 at Green City, N. Y.

The Adelphi contest saw the Engineers' midfielders dispatch the visitors as their outstanding play enabled Tech to control the ball for over 80% of the game. The visitors' five midfielders of Chick Fitzgerald '59, Jim Russell '59, and Alas Breen--neeke '61 were brilliant as were the second midfield of Jim Scandellini '61, Stan Florio '60, and Dan Michel '60.

Camford, Scores, Runs

Attackmen John Camford '59 was top goal getter for the Bottines with four, with Fitzgerald tallied three and Paul Elkeb '59 two.

Because MIT declared the play so much, very little pressure was put on their defense at goal. Paul Flisch '59 and Dick Benedek '59 bluffed theeteading midfield equally for the Bottines and had to sloppy make only eight, nine shots.

A selection of attendances at Stevens the following day was mailed out, but the trip did point out conclusively that KIE will be a strong contender for the division crown, of which they were co-stock last spring. According to Coach Bon Martin, the only question remaining is the inside defense which was untended during the trip. The coach also stated that this is "potentially the best MIT team ever."

The Beaver stickmen's overpowered offense and scoring ability have been proven and should lead them to a triumph over Brown whom they face tomorrow afternoon in Providence.

But soft! What taste from yonder FILTER-BLEND...

IT'S WHAT'S UP FRONT THAT COUNTS

This filter, be it ever so pure and white Must needs give flavor too, full clear and bright Else would the trusting smoker, filled with hope Again be dashed, deserted be... and mope.

And thus we come to Winston's obvious truth It's what's up front that counts— and this, forsooth That the fine tobaccos, in the end

Are by exclusive process—Filter-Blend— Become the tastiest taste that ever hath played Across your dancing taste-buds, man or maid!

Ye are not gatching rosetbuds while ye may!
