DAD: This is the ONE!

It's safe. It hugs the road.

It's got more weight than some others. And LOOK at it!

TO THE CLASS

OF '60

It's not too early for all juniors to start planning ahead to what you are going to do after your graduation. June, 1960, isn't very far away.

Consider working for Public Service Electric and Gas Company in New Jersey. One of the leading utilities in the nation, it has more than $1,000,000,000 invested in plant. The company ranks fourth among the investor-owned operating utility companies providing both gas and electric service in the United States.

You would be wise to give Public Service serious consideration ... and start thinking now of next year.
