MIT Sailors Fall To Princeton Tigers; Tech Places Second

The MIT sailors were edged by Princeton in the 1959 Eastern Dinghy Championships for the Queen's Cup at Annapolis last weekend. The Techmen, ahead throughout the series, went into the last race with a twelve-point lead over second-place Princeton. In the final maneuvers, the Engineeers failed to show the fine form that they exhibited earlier, as they came in well behind the Tigers. As a result, the final tally showed MIT second among ten teams with Princeton winning the cup. High point skipper for the series was Bill Wilder '59 with 98 out of a possible 110 points. Skipper Dennis Posey '59 added 71 to give the sailors a total of 170 which fall just three short of Princeton's 213. Coating for Wildair was Pete Gray '41, and for Posey, Jan Northby '59.

At the Raven Hippogaulos at USCGA last Saturday, the Techmen, due to an opening race withdrawal and breakdown in both the second and third races, were in fourth in a field of six entrants. At the helm was George Kirk '48, while Bill Long '79, Don Nelson '61, and Bill Ragland '61 handled the sheets.

Rounding off the week-end for the varsity squad was a meet on the Charles Sunday. BU led the way with Tech second, followed by Holy Cross and Babson. Skipper was Ed Dukes and Nelson.

At a Menninger meet at Bedford, the yachting sailors finished first, topping teams from six other schools on Sunday. Sailing for the victorious Fresh were Chuck Glueck and Thane Sunday. BU led the way with MIT '59, Don Nelsen '61, and Walt Bagdade and Nelsen.

Victor, ahead throughout the series, took advantage of the Beavers' unsteady form and breakdown in both the second and third races, coming in fourth in a field of ten teams. Skipper Dennis Posey '59 added 71 to give the sailors a total of 170 which fall just three short of Princeton's 213. Coating for Wildair was Pete Gray '41, and for Posey, Jan Northby '59.

Lacrossemen Topple Amherst 9-5 Score Five Goals in Final Period

With the aid of a strong fourth quarter offensive, the varsity lacrosse team sent an Open House Day crowd of spectators away happy by delivering previously undefeated Amherst 9-5. The final assault took place after a determined squad of Jefts had taken advantage of the Beavers' uninspired play to move within one goal of MIT at the end of three periods. Only 56 after the opening face-off Pete Block put the visitors ahead 1-0, but this lead lasted less than sixty seconds as Beaver midfielder Chuck Fitzgerald '39 drove around two defenders to knot the score. Fitzgerald tallied two more goals on similar rushes in the next few minutes giving a great display of his prowess. At 13:45 of this session, he passed to Jim Russell '59 who flipped the ball home to give the Engineeers a 2-2 margin.

Athletic Association Holds Final Meeting

The final meeting of the year of the MIT Athletic Association was held last Thursday evening in Hatchfield Lounge. After various reports on award-winning awards, discussion was held on restrictions on varsity athletes. The AA Executive Committee presented a resolution placing these controls in the hands of the coaches and captains. However, since there wasn't a quorum present, it was not possible to take any definite action. Then the ains of the intramural program were discussed, but this was tabled until next year.

The varsity tennis team was by far the most exciting, as they defeated BC 9-0 in the opening round at Harvard. They then went on to sweep Harvard 9-0 and Wesleyan 9-0. The Techmen could net but two more goals. The second seeded Raul Karman '61 scored the visitors' lead, but this was tabled until next season.

Beat Clark 8-4; Lew By Beard, Goodwin

HOW TO MAKE $25

A take-a-word— amplifier, for example. With it, you can make a water microphone (dolphiner), a torch singer's mike (amplifier), a boxing-ring loudspeaker (champagne), or a P.A. system in an army post (amplifier). That's Thinklish! Thinklish is the art of paying $25 for the Thinklish words judged best—your check is itching to go! Send your words to Lucky Strike, Box 67A, Mt. Vernon, New York. Envelope your name, address, college or university and class.
