Delegate Attends NSA Congress at Urbana, Ill.

Chryl Sprague, '60, Baker House President, and Chris Sprague, '60, included Frank Tapparo, '60, Baker House President: in the NSA (National Student Association) delegation to the 12th Congress sponsored by the NSA (National Student Association) at the University of Illinois.

Prior to the Congress itself, the NSA sponsored a special conference for student editors—the SLAC (Student Legislative Advisory Conference). This MIT walkout on SLAC came during a legislative session in which a bill had been defeated on the floor. MIT objected bitterly to the defeat of such a bill, on the grounds that it was not the business of Congress to consider issues of this type. After heated arguments on the floor, several delegates voted to consider the bill, at which point MIT walked out.
