The Harvard Cooperative Society is conducted and
governed by a board of directors made up of the
faculty and students of Harvard and M.I.T. The cap-
ital stock is held in trust by stockholders who receive
no dividends. When you have joined the Coop, your
greatest benefit in savings will come from concen-
trating your buying. The size of your Patronage Re-
fund check is, of course, dependent on what you
purchase... the accumulation of small items is just
as important as the larger individual buys. The Patro-
nage Refund rate for 1959-60 has been guaranteed at
8% on charge purchases and 10% on cash. You get the
most value from your membership by the concentra-
tion of your buying at the Coop.
