Intramural Football Season Opens at MIT; Fijis Win 12-6, While Betas Romp 32-0

Autumn arrived officially at MIT this weekend with the opening of the Intramural athletic season. Theta Chi and Beta Theta Pi showed again that they are the team to beat for the title with a hard earned 12-6 victory over Theta Chi, and Beta Theta Pi showed that the student body acquire more interest in our athletic activities.

On Sports

The new locker rooms of the DuPont Athletic Center are beginning to be filled with the results of grass left on stairs, the cries of split legs on the court floor, the cracking and banging of doors wildly swung, the shouts and songs of MIT athletes getting ready for a new season.

But if the season is near the problems remain: enthusiasm and object spirit of "game for the game" rather than talent from a lack of interest and order. The scholastic program is very, very difficult for any coach to do better by the scholastic program, it is very true that not all nineteen intercollegiate sports are successful for MIT.

The athletic activities, and the players, are not asking for a favor; collegiate sports are a good course in autobiography. The athletic activities, and the players, are not asking for a favor; collegiate sports are a good course in autobiography.

The new locker rooms of the DuPont Athletic Center are beginning to be filled with the results of grass left on stairs, the cries of split legs on the court floor, the cracking and banging of doors wildly swung, the shouts and songs of MIT athletes getting ready for a new season.

Holding the Betas romp was the debut of Dick Pickett, '61, at halfback. Pickett, a transfer student from St. Lawrence, tossed two scoring passes in addition to running for two more touchdowns.

The Fijis had a rough time with Theta Chi, with both teams showing early season lack of sharpness. Bruce Nelson, '60, took a first-period aerial from Chuck Ingram, '60, as the victorious opening the scoring. This was all until the final quarter when Bob Will- lams' second field goal of the game clinched the 12-6. Moments later, Joe Patalivy, '60, tossed to Will Try- log, '62, for a Theta Chi touchdown. Phi Delta Theta appeared to be the competition in League II on the basis of their 38-0 win over the Varsity of Alpha Tau Omega. Led by their quarterback, Fritz Frink, '61, who ran for two t.d.'s and passed for another, the Phi Delts controlled the game, with the losers' tally coming near the end of the contest.

Erckrick To Coach Heavy Frosh Crew

Richard Erickson has been named freshman heavyweight crew coach, replacing Ben MacKay, '54, athletic director Erickson has announced.

The 21-year-old Erickson, an oarsman on the highly successful University of Washington crew in 1958, will also assume the position of instructor in the athletic department.

Erickson holds a B.S. in physical education and is working toward his Master's degree.

MacKay described the frosh boat for two years.
