DIVERSIFICATION for unlimited opportunity

The interest of Olin Mathieson in the vital fields of chemicals, metals, packaging, and energy in the sporting arms and ammunition industry promises the chemist, the chemical and the metallurgical engineer a career that can progress along any one of many avenues just as rapidly as ability can be displayed. We would like to talk to you about your post-graduate plans. Include Olin Mathieson in your interview itinerary.

The Olin Mathieson representative will soon be on your campus. See your placement office for full details.

Interviews to be held on OCT. 29
