There's opportunity, challenge, and excitement at Convair!

The widest diversity of missile and aircraft projects in the U.S. assure Convair of a continuing program of research and development. Convair offers a challenging and exciting program that offers unlimited career opportunities for young scientists and engineers in many fields.

Talk with the men from Convair (see dates below). Ask about the extensive opportunities Convair offers for training . . . for continuing education . . . for personal advancement.

**CONVAIR SAN DIEGO**

**CONVAIR ASTRONAUTICS**

Selected young graduates are offered the opportunity to join groups of outstanding scientists and engineers in the advanced research and development atmosphere of Convair-Astronautics' new $40,000,000 facility in beautiful San Diego, California. A top priority of the Air Force that is pushing men's exploration into outer space. You may qualify for a position with Convair-Astronautics.

**SAN DIEGO, CALIFORNIA**

**CONVAIR FORT WORTH**

**CONVAIR POMONA**

New programs at Convair-Pomona offer excellent opportunities today for engineers. Convair-Pomona created the Army's newest weapon, Redeye shoulder-fired missile, and developed the Navy's advanced Terrier and Tartar missiles. Many other programs, all classified, are at various stages of development, providing stimulating assignments for progressive-thinking engineers and scientists. Positions are open for Bachelors, Masters and Doctorate candidates in electronics, aerodynamics, mechanics and physics.

**POMONA, CALIFORNIA**

Undergraduate & Graduate Students Measuring In AERONAUTICAL, ELECTRICAL, ELECTRONIC, MECHANICAL, NUCLEAR, CIVIL ENGINEERING

Plus Graduate Students Measuring In PHYSICS and MATHEMATICS

Representatives From Convair Will Conduct JOINT INTERVIEWS Thursday and Friday October 29 and 30 Consult your placement office for details

**CONVAIR A DIVISION OF GENERAL DYNAMICS**
