IBM WILL INTERVIEW
NOV. 18

IBM invites candidates for Bachelor's or Master's Degrees to discuss opportunities in Manufacturing, Product Development, Programming and Research positions throughout the United States.

Laboratories and manufacturing facilities are located in Endicott, Kingsport, Owego, Poughkeepsie, Yorktown, N. Y.; Burlington, Vt.; San Jose, Calif.; Lexington, Ky.; and Rochester, Minn. Corporate headquarters is located in New York, with 192 branch offices in cities throughout the United States. The IBM representative will be glad to discuss with you the type of career of particular interest to you. IBM offers:

- Leadership in the development of information-handling systems.
- New applications for data processing and advances in computer technology.
- Favorable climate for continued career growth.
- Opportunities for a wide range of academic backgrounds and talents.

Contact your College Placement Officer to arrange an appointment for a personal interview with the IBM representative.

If you cannot attend the interview, call or write:

Mr. P. H. Bradley, Branch Manager
IBM Corporation, Dept. 868
1730 Cambridge St.
Cambridge 39, Mass.

6:00 6:05 A.M. Sign-off

Cross Countrymen Beaten by Wesleyan

A fighting cross country team ran up against a tough Wesleyan squad last Friday afternoon at Franklin Park and came out second best 16-46, with the Beaver runners meeting a similar fate 18-41. Every one of the varsity harriers posted the best time of his career, but the hill and dulers just did not have the horses to stay with the boys from Middletown.

The visitors set a blistering pace for the first mile, with all eight Wes- leyan runners in front shortly after the start. But the home squad, look- ing good on the uphill grades for the first time this season, fought back to gain three of the initial ten spots. However, this was not enough as Wesleyan swept the next four places to win.

Co-Captains Dan Oliver, '60 and Bob Ralston, '60, led the Engineers, finishing fifth and seventh in 21:23 and 21:37, respectively. Bounding out the first five were Herb Wegner, '61, ninth, and Ed McCartney, '60, and Herb Grieves, '60, eleventh and twelfth. Following were Steve Banks, '62, Paul Robertson, '61, George jeep, '61, Phil Nelson, '62, and Brian Tan- shill, '62, 14th through 15th.

Tom Goddard showed great im- provement in taking fifth spot for the Engineers, followed by Reg Wirth, Chuck Brust, Pete Hiehl and Jeff Gibson, 7th through 10th.

Make your next pipeweed

AMPHORA

...the tobacco that satisfies all other imported tobaccos combined! Try it and you’ll find your first puff will tell you why. There’s more pleasure in smooth-smoking, even- burning, long-lasting, mild Amphora. Popular priced, and more for your money, too. All colors in every pack! Blended in Holland, soil hand-picked and cured. Come in and try it today.
