THE MITRE CORPORATION
A systems engineering and development organization, has the continuing responsibility for solving the complex problems involved in the design, development, evaluation and integration of the many and varied air defense systems.

Formed under the sponsorship of the Massachusetts Institute of Technology with a staff merely composed of the scientists who designed and developed the SAGE System, MITRE affords individuals accelerated professional growth in a multi-

disciplined environment. There exists freedom of choice in assignments ranging from system design to prototyping development to advanced operations research.

We invite you to discuss with us how your academic training can be effectively utilized in one of these stimulating areas:

- SYSTEM DESIGN
- COMPONENT DEVELOPMENT
- REAL-TIME COMPUTER CONTROL SYSTEMS
- RADAR TECHNIQUES
- OPERATIONS ANALYSIS

The above openings are available at MITRE's modern facilities in suburban Boston, Massachusetts—Fort Walton Beach, Florida—and Montgomery, Alabama.

A MESSAGE TO PARENTS AND EDUCATORS

This Scholarship Award Program is sponsored by the Dodge Dealers of Greater Boston to stimulate interest in the need for higher education among the youth of our community. As business men in this area, we feel an obligation to share in the vital responsibility of encouraging our children to seek education. For this reason we have established this Scholarship Fund, which in its small way may annually provide a measure of financial assistance to four worthy students and encourage many others to consider the importance of a college education.
