Prizes the faculty and administration: Walter Miller, Administrative Assistant; George Wood of the Office of Public Relations; Dean John Rule; Dean William Sperry; Dean Robert Holden; Professor Robert Mann; and Miles Green of the Department of Physical Plant.

Members of the student committee:

Thainacls Place Third in Triangular; Enter Knights of Columbus Meet, Saturday

The MIT varsity track team competed on both the Tufts and Northeastern track meet in the last week of the present year last Saturday at the Tufts Cage in Medford. The final tally was the freshmen 166, sophomore 10, junior 7, and senior 3.

Bob Williams, '63, high scorer for the freshmen with a total of 68 yards, 21-yard punt, and a 66-yard punt return, and Mike Hackett, '64, earned the only Tech win in the meet, scoring 49 points to 56.

The Tech varsity track team has been working out the Weekend budget. Both teams will then not see action until the first week of next season. At Tecumseh Place Thursday, the varsity and freshmen will be represented by relay teams in the Knights of Columbus Meet at Boston Garden.

The date for Parents' Weekend has been set for the weekend of April 22nd. Official announcement of this is expected within the next few weeks.

Marrying for Money—Is Frood in Favor?

See below.

Dear Dr. Frood: I understand that your hobby is cooking. Mine is too. But my cooking is for me, not to impress others. It's fun. How can I make her stop laughing at me?

Cooky

Dear Dr. Frood: A little distance between students' chairs by 2. Since chairs will now be closer together, result should be a 50% improvement in exam grades.

Frood

Dear Old-Fashioned: Place a large cauldron of regular smoke, 2500 Ocean Park, see action until the first week of next season.

LUCY STRIKE presents

Dr. Frood: MARRYING FOR MONEY—IS FROOD IN FAVOR?

(Dear Dr. Frood: The other day I stopped at my boy friend's house unexpectedly and I found Lucky Strike butts with lipstick on them in the ash tray. What should I do?

Observe)

Dear Dr. Frood: I am a math professor. Over half my students are flunking their exams. What can I do about this?

Discouraged

Dear Disillusioned: Use Frood's Formula: Little distance between students' chairs by 2. Since chairs will now be closer together, result should be a 50% improvement in exam grades.

Dear Dr. Frood: Last Saturday my girl told me she couldn't go out with me because she had a cold. Next day I found out she was out with my roommate. That's why I'm here, Frood. I want to see if I can find a job when I graduate.

Dear Dr. Frood: I am a 267-pound tackle on the football team, cleanup hitter on the baseball team, champion shot-putter and captain of the basketball team. Where can I find a job when I graduate? I hate to admit it, but I hate to admit I'm athletic and I'd like to continue in sports. Why can't I find a job when I graduate?

Athletically Inclined

Dear Dr. Frood: Recently, while collecting ants, I happened upon this strange creature in the woods. Can you help me identify it?

Dear Dr. Frood: I am a math professor. Over half my students are flunking their exams. What can I do about this?

Discouraged

Dear Old-Fashioned: Place a large cauldron of regular smoke, 2500 Ocean Park, see action until the first week of next season.

Dear Dr. Frood: Should a man marry a girl who makes more money than he does?

College Students Smoke More Luckies Than Any Other Regular!

When it comes to choosing their regular smoke, college students head right for fine tobacco.

Result: Lucky Strike tops every other regular sold. Lucky's taste beats all the rest because L.S./M.F.T.—Lucky Strike means fine tobacco.

Tobacco and Taste Too Fine to Filter!
