FACTS ABOUT YOUR FUTURE

PUBLIC SERVICE ELECTRIC AND GAS COMPANY - NEW JERSEY

VI, XV Most Expensive Courses

(Continued from page 1)

ments $8,816,095, General and admin-
istration $7,894,796, Plant operation
$5,007,222, and Dining and Student
Housing, $1,672,846. There was thus
an apparent loss on Dining and Stud-
tent Housing of $27,576. This is not
a large amount, but since demolitions
and cedece is, in general, supposed
to be self-supporting, it holds ill for
the future.

U. S. government research revenue
exceeds that of Lincoln Labs came to
$8,444,832, while Lincoln Labs bud-
get was $80,000. Total research
revenue was $87,276,802, of which
only $8,444,498 came from sponsors
other than the Federal government.
It is clear that of total Institute ex-
penditures only 9% was directly con-
ered with educational costs, the re-
mainder mainly going to governmental
sponsored research.

The Treasurer's Report breaks down
expenses in quite some detail. Total
professional academic staff salaries
"necessary to teaching", for example,
came to $7,099,006; at the top of the
list is Electrical Engineering at $1,
780,362, followed by Physics, Mechan-
ical Engineering, Chemistry, and Metalurgy. The smallest departmen-
tal division is apparently Naval Ar-
chitecture with a total of $0,184.

The department with the largest
expense was again Electrical Engi-
neering at $278,076, but second high-
was Industrial Management at $127,
307. Library and museum expenses
totalled $435,068, with books, period-
icals and binding getting $75,449 of
the total.

Under general and administration
expenses one finds that "salaries of
officers and their staff assistants"
amounted to $1,114,864. Administra-
tion offices expenses were $80,732.88
and clerical salaries were $85,666.
A might be expected, the two most
costly offices were the Registrar's at
$148,468.32 and the Accounting Off-
ices at $155,382. Under General Ex-
penditures, one finds such things as a
Personal Security force cost of $110,000,
Publicity cost of $108,973, Insurance
of $79,378.61, and payments in lieu
of taxes of $95,653.58. Student re-
lated expenses give the following in-
formation: Athletics, $21,815, Ath-
letic and other facilities operation,
