Frosh Team Receives Permanent Trophy
At the recent Barnard Tournament, MIT was represented by the Fresh-
man debate squad instead of the Varsity squad. Three out of the four
members qualified for the semi-final, the team (consisting of Steve Wanner and Dan
Gourley) won five out of six matches to clinch the first place. The topic de-
bated was "Resolved that the Congress should be given the power to reverse
decisions of the Supreme Court." The MIT team took the opposing stand in
the final round. MIT received the permanent trophy and the contestants in-
dividual gold medals.

The other MIT team was composed of John Castl and Norm Langemach.
The coach was William Zabel.
