Track Squad Bows To UConn

The varsity track team ended its dual meet season with a thrilling last Friday night when the men were clipped by University of Connecticut, 89-86, in a down-to-the-wire contest. Meanwhile the frosh were denied.

Captain Bill Nicholas began the fireworks by unlatching the best toss of his career in the 30-pound weight — 50 feet 3 inches to nail down second spot. After Steve Balko, Bill Nicholls, and Herb Groves tallied to make the score Bob Williams, 50, pulled the first upset of the evening, toppling UConn's Gene Gisling in the 50-yard dash while tying ugly Rockwell Cage owned at 50.1. Job later repeated the feat in the low hurdles. George Withrow, '61, victory in the 600 brought the Beavers, 71-26, within a point of the Huskies 87-13.

However, victories in the broad jump, high hurdles, mile, 1000, and 1500 outweighed the losses to grab a 3-1 victory in the match. After a tri-meet against Davidson and the Visitors who lost last year with the same score 6-27, the Beavers, 35-32. The gloom was further turned to black by a 20-point loss in the 4x100.

It took four generations of family tradition to produce the matchless Ruppert Knickerbocker flavor. One swallow and you'll know why it took so long. Fine beer, like a fine family name, gains character with each generation. Ruppert Knickerbocker tastes the way other beers would like to taste if only they knew how.

Why Are Today's Students More Serious, Dedicated, Industrious?

Deer Dr. Frood: In your day, college students were all rah-rah and raccoon cox. Today's student is more responsible, more dedicated, more industrious. What accounts for this big change?
