Golfers Set For Southern Trip; Coach, Players Are Optimistic

Boistered by four returning lettermen and a trio of outstanding sophomores, the MIT varsity golf team is looking forward to the coming fall battle with much enthusiasm. The first test for this spring’s griddling one will be a dual match with Randolph-Macon College at Ashland, Virginia, Saturday, March 26. This meeting will be followed by contests with North Carolina State, Harvard-Sydney, and the University of Maryland on successive days.

Leading Tech on the southern trip will be Raul Kelman, 61, who will play the number one position on the team. Captain Bob Lanor, 60, will hold the second spot, followed by Chuck Goebel, 61, Deve Popp, 62, Tim O'Brien, 61, Tony Joyce, 61, Pat Coudry, 60, and Kenny Holbrook, 60. Cole Clear, 60, and Garnet Nelson, 61, who along with Lanor and Kel-

hurd compare the returning let-

ters. winners of the event, are un-

able to travel south with the team during spring vacation, but should lend a considerable strength in the regular sea-

son matches.

When asked to comment on the per-

tformance of the team this year, Coach John Mercier reflected the opti-

mistic note of the squad members’ saying, “I think we have been able to do very well.” Mr. Mercier, under his debut as varsity golf coach last fall with the team winning two against Rhode Island. He also noted that the addition of best man to the team should fully compensate for the loss of long hitting Bob Rosénfeld.
