Hi, there... what I have here is a special offer. You see, I have a variety of things to choose from, including handbags, perfume, and other accessories. Let me know if you're interested!

ESTERBROOK—picking up new users every day

BEARS or PEOPLE—Esterbrook has a pen point to suit every writing personality! They range all the way from one fine enough to write the Gettysburg address on the head of an insect to one broad enough to write on the side of a barn.

The Esterbrook Classic fountain pen starts writing instantly—the minute it touches the paper. Feels so 'right' in the hand ... and looks good, too!

Choice of six colors.

Durable? This pen is so durable that it'll last long enough to hand down to your children ... if that's your idea of fun.

THE CLASSIC FOUNTAIN PEN
$2.95

OTHER ESTERBROOKS
FROM 50c TO $10.00

There's a point choice of 32—one is custom-fitted for you!
