WE HAVE OVER
300 M.I.T. GRADS
AND WE NEED MORE . . .

- FOR OUR 17 OPERATING COMPANIES AND
LONG LINES DEPARTMENT
  - to provide the ability and initiative needed for filling in behind the many middle and top level management people who will
  be retiring within the next few years
  - to manage the engineering and operating of companies expanding at the rate of over two billion dollars annually

- FOR THE BELL TELEPHONE
LABORATORIES
  - to engage in basic research or technical planning for the development of new and improved systems
  - to invent, develop or design components and systems in the fields of electronics and communications

- FOR THE WESTERN ELECTRIC COMPANY
  - to become leaders in an organization whose sales tripled since 1950
  - to administer the manufacture, distribution and installation of communications equipment for the Bell System and
national defense

- FOR THE SANDIA CORPORATION
  To fill our need for young engineers with outstanding technical
competence for the non-nuclear phases in the development and
design of atomic weapons. Sandia has grown to be one of the
AEC's major installations in the U. S. and holds a key position
in the weapons program.

Please make arrangements for interviews through your Placement Office.
