Cindermen Bow, 87-48, Frosh Downed, 75-59 On Rain-soaked Track

Hampered by injury to two of its top scorers, the varsity track team was downed by Bowdoin 87-48 Saturday at Bridges Field, in its final home appearance. The freshman also stumbled 75-59.

Superior depth and field strength spoiled the difference for the Polar Bears. With the exception of the hurdlers, the Beavers had the edge in the running events as five Techmen scored in two or more events. But the Engineers were without the services of Joe Davis ‘61, consistent winner in the hurdles, and Al Ramo ‘63, high scorer in the weights, both of whom have foot injuries, and the visitors opened up their margin in the field events.

Don Magoon ‘61 was high scorer for the meet with 38 points. Despite the rain, which made takeoffs slippery and covered most of the track with two to three inches of water, Don covered the broad jump with a leap of 20 1/2 inches, won the 100 in 10.4 and the 220 in 22.9, and placed second in the 10 in 20.4, and the 220 in 22.9, and placed, second in the 100, first in the one- and two-milers; Roy Landis ‘62, third in the hammer; and Bob Maksey ‘63, third in the long jump, provided the remaining tallies.

Jim Flink paced the frosh effort with 30 points, including a trip in both hurdles and the 100. The other yearling victors were Pete Staecker, 440; Dave Sullivan, 880; Gary Lukits, pole vault; Bill Renman, shot- put; and Bill Harper, hammer throw.

Both varsity and freshman squads travel to Springfield Saturday where they will face perennially powerful-Springfield College. The frosh make their final home appearance next Wednesday against Moses Brown at 4:00 P.M.

On Deck

Tuesday, Wednesday, May 3
Baseball (F) at Androver Crew (F) with Tabor on the Charles, 6 p.m.

Thursday, May 5
Lacrosse at WPI

Golf at Tufts

Track at Coast Guard (2)

Baseball (F) with Newton Junior College, 2 p.m.

Track at Bowdoin

Lacrosse (F) at UNH

Cross Country (F) at Exeter

Track (V & F) at Springfield

Saturday, May 6

Golf with BU, Babson

Tuesday, May 9

Lacrosse at Tufts

Lacrosse (F) with Tufts, 3:30 p.m.

Wednesday, May 10

Baseball with BU, 4 p.m.

Intramural Sports

Variety Highlights Spring Season

Actively in intramural sports reaches a peak this week with softball, sailing, golf, and tennis. We will decide league champions in the playoffs; champions in other sports will be known soon.

Spring sailing, which began Monday, runs through Friday races and ends on Sunday. The open races this year will be held Sunday; the day events also include the heavy jump, broad jump, shot put, and javelin. First, second, and third places in each event award ribbons, with champions of the meet determined on total points basis.

Golf Tournament

The George Flying Golf Course will be the site of this year’s intramural golf tournament, on Friday, May 5. Located near Dedham and the Stony Brook Reservoir, this course is expected to be considerably challenging.

Two to three inches of water,
opened up their margin in the
running events as five Techmen
scored in two or more events.

Dear Dr. Frood: My problem is fat, stubby fingers. As a result, I am exceedingly awkward with my hands. In unmarked bills to Dr. Frood:

Dear Dr. Frood: I’ve been reading a great deal about automated teaching devices. How long will it be before they come up with machines to replace professors?
