IMPALA CONVERTIBLE
Here's top-down going at its breezy best. And, like all five Chevy Impalas, it's available with Super Sport features* that set it apart from anything else on the road. "Optional" extra out as a complete kit.

Sports car spice never came in so many varieties...Chevrolet!

Maybe you're a fellow with more or less normal driving habits who's looking for a change of pace. Or maybe you're a red-hot sports car buff. Either way, you'll find the fastest relief for that tantalizing itch in your driving foot at your Chevrolet dealer's One-Stop Shopping Center. He's got cars that run the sporting gamut like no others—nimble Corvair Monzas (2- or 4-door), charged-up Impala Super Sports (in five different body styles) and the kingpin of production sports cars, the Corvette. You can take your choice without chasing all over town. They're all stablemates under the same roof!
