Summer Job Interviews

The following companies have specifically indicated they will interview summer job candidates on the dates given. In most cases the courses eligible are not limited strictly to those listed; rather, the listings are to be taken as a general indication of those areas in which the company is interested. Students and above are eligible unless otherwise noted. Many companies not in this list will interview summer candidates if their schedules are not completely filled with permanent work candidates. For further information, check with the Student Placement Bureau, I-173, on the day before the company is interviewing.

FEBRUARY 19

ARMSTRONG ON THEIR WAY

ON YOUR WAY UP...

GENERAL DYNAMICS| ASTRONAUTICS STARTS BUSINESS GRADUATES ON THEIR WAY UP!

If you are a business graduate with a record of personal and academic achievement, check the career opportunities at General Dynamics|Astronautics. We offer opportunities in management systems, engineering administration, finance, product support, contracts, materials, quality control, industrial relations, and communications. (If you're in the top half of your undergraduate class, or an advanced degree candidate, so much the better.)

General Dynamics|Astronautics is engaged in high-priority missile and space vehicle programs, including Atlas, Centaur, Mercury, Minuteman, Minuteman II, Rover, Ranger, and Mariner. Those and many other major projects offer the young businessman a whole new world of important work. And all within the perfect, year-round climate of San Diego, California.

Be sure to see the General Dynamics|Astronautics representative when he visits your campus. Contact your placement office to arrange an interview, or write to Mr. R. M. Smith, Manager of Industrial Relations Administration—Engineering, Dept. 130-90, General Dynamics|Astronautics, 5200 Kearny Villa Road, San Diego, California.
