Girl Watcher's Guide

Presented by Pall Mall Famous Cigarettes

LESSON 6-Who may watch

Any male is eligible to become a girl watcher. There is no age limit, although most girl watchers are over ten and under one hundred and four. There are no height or weight requirements, although taller men enjoy an obvious advantage at crowded parties. The only strict requirement is one of character. The girl watcher is a man of honor. Since he can't possibly take notes, as the bird watcher does, we must rely on his word. Therefore, when an experienced girl watcher tells you he saw nine beautiful girls while on his way to class, he saw nine beautiful girls. And when he tells you his Pall Mall is the cigarette of the century, believe him. It is.

Pall Mall's natural mildness is so good to your taste!

So smooth, so satisfying, so downright smokeable!

Lectures

Mr. Benjamin L. Davis, prominent in the American Communist Party, will address the Harvard Law School Forum this evening at 8:30 p.m. on "The Communist Party and Constitutional Guarantees." Mr. Davis' talk will be followed by a panel discussion with Ernest N. Griswold, Dean of the Harvard Law School and member of the United States Commission on Civil Rights, and Mark DeWolfe Howe, a Professor in the Law School specializing in American Constitutional Law. The lecture and discussion will be in Sanders Theater, and tickets are available from the Harvard Coop or at the door.

Special Lecture On Thursday, May 3, a prominent member of the Inter-American Program in Civil Rights and Freedoms, Mark DeWolfe Howe, will address the Harvard Law School specializing in American Constitutional Law. The lecture and discussion will be in Sanders Theater, and tickets are available from the Harvard Coop or at the door.

The AIEE-IRE Joint Stu-

tion is sponsoring a lecture today in room 4-270 at 3 p.m. on "Materials and Electrical Engineering." The speaker is Professor Arthur C. Smith of the E. E. Department, and all are invited.

"The Science of Decision," a lecture on Operations Research, will be given by Professor Ronald A. Howard of the Harvard Graduate School and member of the AIEE-IRE Joint Student Branch. The lecture will begin in room 3-133 at 4 p.m.

Dr. Edward H. Bloch of the Harvard University School of Medicine will give a special lecture on Thursday, April 26, entitled "High-Speed Photography of Blood Flow in the Small Vessels of Man and Animals." The lecture is open to all, and is in room 10-275 beginning at 2 p.m.

SEMINAR

Lambida Bio (otherwise known as the Locker Room Society) conducts a daily discussion group on topical subjects Monday through Friday to which "talkers" are invited. The ball sessions will be in room 2-100, and extend roughly from 11 a.m. to 2 p.m. Monday through Thursday, and from 11 until 3 p.m. on Fridays. Come and air your view of the world!

The next session of the MIT Inter-American Program in Civil Engineering will be "Efficiency of Ressourc Allocation in Developing Economies," led by Dr. Louis Lechler, who is an Associate Professor of Economics and a member of the Center for International Studies. The seminar will be in room 3133 at 4 p.m. on Tuesday, April 24.

SOCIAL

A Course VI Student-Family Steak and Beer Dance will be held at 6 p.m. this evening. The informal get-together will be in room 10-250, and admission is $1.50.

The Gamma Delta presents the Fiji Island Party this Friday evening at 8 p.m. on the shore of Robbins Lake. The gala party is free to all couples dressed in safari attire. Further information and details as "talkers" may be obtained from the booth in building 18, or by calling extension 2177 or CT 7-2846.

A "Matzo" Ball will be held Saturday evening at Temple Real Meseh, 180 Commonwealth Ave. in Brighton, by the Metropolitan Council of Temple Real Meseh. Dancing will be from 8-12 p.m. to the music of Marty Nagy's orchestra; door prizes will be awarded, and there are free refreshments provided. Donation is $5.00 per couple.

The Chemical Engineering Department is holding a Freshman Orientation Dinner House Wesson- hay, April 25 in the Wallace Room, 3-133. The gathering will be from 4:30 until 6:30 and all interested freshmen are invited.
