Fjiks, SAE Reach Semi-Final Mark in Intramural Tennis Competition

In four matches played this past week, the intramural tennis tournament approached its closing rounds. Sigma Alpha Epsilon joined Phi Gamma Delta in the semi-final round, with the other semi-finalists to be determined in two first-round matches played in the next few days.

East Campus, last year's champion, started the week's play with a 5-4 sweep over Tau Epsilon Phi. However, Saturday, October 14, the former champs were decisively upset, 6-4 by SAE. SAE's victory over BC placed them in the semi-finals, and set them up as an important threat in the tourney.

Medals will be given to the first three finishers and ribbons to the next ten. In addition a trophy will be awarded to the first place team at the Intramural awards ceremony.

All living group athletic teams have the additional details. For further information call Jim Allen, IM Cross Country Manager.
