Annual All-Tech Swim Meet Features Class Competition

By Leon Katz

Saturday, November 17th marked the date of the Seventh Annual All-Institute Swim Meet. This was the event that pits freshmen, sophomores, juniors, seniors, and graduate students in spirited and very strong competition with each other. Traditionally, this promises an exciting evening of swimming competition. And apart from the races, the Wellesley Water Ballet, clown diver Chuck Montgomerie, and Olympic swimmers from Harvard and Yale are expected to provide great entertainment for all.

64 Edges 63

Last year the meet was the classic standout of all previous All-Tech Swims. Class of '64 was strong in its freshman, sophomore, and junior years--was aiming for an unprecedented fourth straight victory. Dark horse Class of '65, however, won the meet in a narrow margin of 177-175. Although taking only two first places as compared to five for '64, the class of '65 relied on tremendous depth to pull the victory out. By placing 37 individuals and four relays in the finals, '64 was able to steady its early lead.

Going into the last event, the 400 yard free style relay, the score was knotted at 117-117.
