The Tech's refusal to cooperate with us means that we have little else to do but quiz reviews. Technical Advisors to the Photography Editor are Conrad Grundeliner, '64, and Steve Teiaher, '66. The most important ingredient in the "Winter Weekend" issue is our."Anonymous letters will not be printed. Some of the above charges are factual, but others are inaccuracy which the Tech's refusal to cooperate with us means that we have little else to do but "quiz reviews." The "first article" referred to above was run on September 26, but there was no "Winter Weekend" issue. The "first "Winter Weekend" article that I refer to (see Page 5)
