The Executive Committee has spent a large amount of time dealing with problems of SCEPT since the resignation of the previous chairman was announced. Due to a misunderstanding, it was believed that no one from the committee was interested in running for the chairmanship on the committee. Many hours were spent searching the order honors and departmental student-faculty committees for other possibilities. This misunderstanding has been cleared up. The secretary of plans and faculty committees will be interested in running for the position of vice chairman. Due to the resignation of the previous chairman, the secretary will be interested in running for the position of secretary. Due to the resignation of the previous chairman, the secretary will be interested in running for the position of secretary.
