Debate Tournament
February 22 - 23
May Be Largest Yet

Plans for the Eighteenth Annual M.I.T. Debate Tournament, to be held February 22 and 23, are now near completion.

The Tournament Chairman, Steve Warmer '63, said the tournament, which is the oldest annual debate endeavor in New England, will probably be the largest on record.

Over 20 New England schools have accepted invitations, and there are still almost two weeks until the final date for entering.

After six elimination rounds, a semi-final round will be held at 1:30 p.m. Saturday, February 22, followed by a final round at 3:30. These rounds will take place in the Kenyon Little Theater.

All members of the M.I.T. community are invited to attend these final rounds.

SUCCESSION STUDENTS
LINCOLN LABORATORY
has openings for a limited number of engineers, physicists, and mathematicians in original research and development activities.

LINCOLN LABORATORY
is an electronics research and development center established by M.I.T. in 1953.
