Six departments open doors to Frosh choosing courses

Naval Architecture

The Department of Naval Architecture will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Building 48, the Hydrodynamics Laboratory.

Navigation classes are offered in the following departments: Mechanical Engineering, Civil Engineering, Electrical Engineering, and the Computer Science and Mathematical Sciences Department.

Economics and Social Science

The Economics and Social Science Department will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Department of Economics and Social Science.

Mechanical Engineering

The Department of Mechanical Engineering will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Mechanical Engineering Laboratory.

Visual Design

The Visual Design Department will hold an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Visual Design Laboratory.

The Physics Department will open doors to Frosh choosing courses.

Architectural

The Department of Architecture will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Architecture Building.

The Political Science Department will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Political Science Building.

The Electrical Engineering Department will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Electrical Engineering Laboratory.

The Civil Engineering Department will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Civil Engineering Laboratory.

The Mechanical Engineering Department will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Mechanical Engineering Laboratory.

The Computer Science and Mathematical Sciences Department will present an open house for freshmen on Tuesday, April 10, from 4:00 to 6:00 p.m. in the Computer Science and Mathematical Sciences Laboratory.
