When a cigarette means a lot...

get Lots More from L&M

- more body in the blend
- more flavor in the smoke
- more taste through the filter

It's the rich-flavor leaf that does it! Among L&M's choice tobaccos there's more longer-aged, extra-cured leaf than even in some unfiltered cigarettes. And L&M's filter is the modern filter— all white, inside and outside— so only pure white touches your lips. L&M's the filter cigarette for people who really like to smoke.
