ONCE MORE INTO THE BREACH, DEAR FRIENDS

I mention Marlboro because this column is an advertisement, brought to you through the school year by the makers of Marlboro. Marlboros come in soft pack or Flip-Top box. The structure completed, the course work and the students registered for the courses were

sod. The University of Washington, for example is offering a summer course in mountain climbing. Neither Miami, which had planned to experiment in student self-discipline, nor the University of Miami Hur-}

rarity, courses in mountain climbing. Neither Miami, which had planned to experiment in student self-discipline, nor the University of Miami Hur-}

To-day: I begin my tenth year of writing this column in your campus magazine. All classes through the 1963 Spring quarter were given without credit, however. The course to be given in the Autumn quarter is Basic Mount-

ting, rock climbing, snow shoeing, ski touring, sledge hammer. A warning was issued to be held next fall. A warning was issued to be held next fall. A warning was issued to be held next fall. A warning was issued to be held next fall. A warning was issued to be held next fall. A warning was issued to be held next fall. A warning was issued to be held next fall. A warning was issued to be held next fall. A warning was issued to be held next fall. A warning was issued to be held next fall.

Non-MENEN SPRAY DEODORANT. Best deodorant a man can use. For two good man's reasons.

1. Menen Spray gets through to the skin where a man perspires. anno-
