Erecta-Shelf
Design it yourself... To Fit Your Space and Needs

You don't have to be an engineering major to design and assemble your own bookcases, room-dividers, or TV and Hi-Fi units with Erecta-Shelf. It's fun . . . simple . . . practical and inexpensive!

By combining just 4 panel sizes in satin black or gleaming brass wrought iron, there's no limit to the number of arrangements you can design to fit your space and needs. Note that straight panels can be used horizontally or vertically . . . and horizontal panels may be attached at any desired height on the vertical panels.

EASY TO ADD TO OR TAKE APART
Anytime you wish to make your unit taller, longer or deeper simply add more Erecta-Shelf panels . . . or change the arrangement completely. It's a cinch to disassemble for moving too. Plan your unit (we'll help you if you wish) and come in for your Erecta-Shelf panels and free detailed brochure.
