Crews cop 3 Henley titles, grab 3rd in IRA

**Introduction To Sports**

**MIT Athletics**

By John Reintjes

The many contributions made to science and industry by the Institute of Technology show MIT's approach to education. MIT's academic standards have all been observed, its aptitude as an innovator unparalleled. Some projects, including those of the Institute's most famous alums, have gone unnoticed by the public.

**MIT's Sport Teams**

MIT's sport team started practice earlier than ever before, but is looking forward to another great season. The 1963 sports teams are, for the most part, the same as those of last year, and will be offering a similar quality of play. However, the Institute of Technology Badminton team should prove to be a strong contender for the national title this year.

**Coed Sailing Team to Top**

Coed Sailing is MIT's most popular team, and is the only one of its kind in the world. Last year's team, led by Dan Dunford, finished second in the national championships, and is expected to continue its success this year.

**Volleyball Team Strong**

The Institute of Technology's Volleyball team is strong enough to compete with the best of the best. Last year, they won two matches against Coast Guard, and one against the Army. This year, they hope to do even better.

**Basketball Team**

The Institute of Technology's Basketball team is looking forward to another successful season. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Soccer Team**

The Institute of Technology's Soccer team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Tennis Team**

The Institute of Technology's Tennis team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Track Team**

The Institute of Technology's Track team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Rowing Team**

The Institute of Technology's Rowing team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Rugby Team**

The Institute of Technology's Rugby team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Squash Team**

The Institute of Technology's Squash team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Water Polo Team**

The Institute of Technology's Water Polo team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Table Tennis Team**

The Institute of Technology's Table Tennis team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Hockey Team**

The Institute of Technology's Hockey team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Swimming Team**

The Institute of Technology's Swimming team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Fencing Team**

The Institute of Technology's Fencing team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Soccer Team**

The Institute of Technology's Soccer team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Tennis Team**

The Institute of Technology's Tennis team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Track Team**

The Institute of Technology's Track team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Rowing Team**

The Institute of Technology's Rowing team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Rugby Team**

The Institute of Technology's Rugby team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Squash Team**

The Institute of Technology's Squash team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Water Polo Team**

The Institute of Technology's Water Polo team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Table Tennis Team**

The Institute of Technology's Table Tennis team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Hockey Team**

The Institute of Technology's Hockey team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Swimming Team**

The Institute of Technology's Swimming team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Fencing Team**

The Institute of Technology's Fencing team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Soccer Team**

The Institute of Technology's Soccer team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Tennis Team**

The Institute of Technology's Tennis team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Track Team**

The Institute of Technology's Track team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Rowing Team**

The Institute of Technology's Rowing team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Rugby Team**

The Institute of Technology's Rugby team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Squash Team**

The Institute of Technology's Squash team is one of the strongest in the country. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Water Polo Team**

The Institute of Technology's Water Polo team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Table Tennis Team**

The Institute of Technology's Table Tennis team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Hockey Team**

The Institute of Technology's Hockey team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Swimming Team**

The Institute of Technology's Swimming team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.

**Fencing Team**

The Institute of Technology's Fencing team is strong enough to compete with the best of the best. Last year, they won several games against tough opponents, and are expected to do even better this year.
