Overtime tilt highlights grid action

A brilliantly played, end-to-end overtime contest between Beta Theta Pi and Phi Gamma Delta Saturday highlighted a week of intramural gridiron action which left three or four "A" league titles and three "B" titles still undeclared.

The first overtime period, which went over the original 15 seconds, saw the teams staging up for a potential field goal, but neither was able to get within field goal range without a break in the play.

The second overtime period saw the teams fighting tooth and nail to break the tie, but neither of the 15-second periods produced a score and the teams headed into the third overtime period.

The third overtime period was held up for a long pass from Roy Wydtenbadh '65 to a Phi Gamma Delta defender.

The fourth overtime period saw the teams each score on their first possession, but the teams were unable to turn the game over.

The fifth overtime period was held up by Phi Gamma Delta, who had the ball and turned it over on downs.

The sixth overtime period saw the teams each score on a field goal and the seventh overtime period saw the teams each score on a field goal. The game ended in a tie.
