Now five kinds of Chevrolets for all kinds of people!

JET-SMooth LUXURY CHEVROLET— For luxury-loving people. Rich new styling, finer appointments in all four series and 11 models. Engine up to 420 hp., normal or Powerglide transmission.

NEW CORVETTE— For sport-minded people. A totally new kind of car with small-car handling, big-car comfort! Bids that makes expensive cars jealous. Three series and 11 models, and a full choice of engine and transmission options.

CHEVY II— For practical people. Chevy II with new V8 power for fun-on-a-shootout. Stratospheric performance further with 4- and 6-cylinder engines. Chevy II's six models in two series all offer the bigger, more expensive cars! 

6-Cylinder engine. The sequel of the new big engine! Same Corvette handling and riding ease in 9 models— including the 150-hp Turbocharged Spyder. 

CHEVROLET— For sports-minded people. Corvette now boasts a smooth bottom. More fun than ever from the new Corvette's new big engine! Same Corvette handling and riding ease in 9 models—including 150-hp Turbocharging Spyders. 

The greatest achievement of the scientific age may yet be its provision of the human need for an ultimate science. The Principle of this Science would have to be God. His law would be absolute Love, a force we’re only beginning to understand. 

A one-hour lecture on this subject will be given by G. S. Pidgeon, Knight. The American Science Board of Lecturers. Everyone is welcome.
