Today let us address ourselves to a question that has long rocked between Philadelphia and Salt Lake City, was founded by there is such a thing as being too small. Take, for instance, a college must unequivocally be called small. Indeed, I would an enrollment of not more than four students.

Now after this humiliating college than at a large college? and roiled the academic world: Is a student better off at a small and the camaraderie, the esprit, that is all too often lacking in small could each student be assured of the personalized atten-

One night, full of gratitude after a wholesome meal of French sight, the Crimscott brothers never went without potatoes for to escape the potato famine of 1841. As a result of their fore-

A. and M. Crimscott, two brothers who left Ireland in 1625 line—or even a bad line—baffled some of the most resourceful. It was easy enough to muster a backfield, but to find a good Scott, what with only four undergraduates in the entire college. A. and M. Crimscott and Minnesota, its traditional rival. Football, a few years ago. On this day Crimscott had a football game

Tie caught in his espresso machine. Yuld, the fullback, was eligible. Beerbohm-Tree, the wingback-tailback, got his neck-
