This is the shirt you should... and can... snap up!

It's the new Decton oxford Tabber Snap by ARROW... the shirt with the trim good looks of a traditional tab collar without the fuss and fumble of a collar button. ARROW Decton oxford is a blend of 60% Decton polyester and 35% cotton, it's a new oxford that has graduated Cum Laude in the class of wash-and-wear. In short sleeves as illustrated $5.95

*DuPont T.M. for its P-21 polyester fibers

Did you know that Jet Propulsion Laboratory is operated by Caltech and is responsible for America's unmanned exploration of space? Are you aware of the fact that JPL conceived the Mariner that went to Venus last year? Do you know that JPL has 150-acre private research facilities with 1300 scientists and engineers and almost three support people for every one of them? Did I tell you that I've signed up for an interview with the man from JPL? Yes.
