International Nickel Makes $25,000 Grant To MIT

The International Nickel Company, Inc., has made an unrestricted grant of $25,000 to MIT. It will be added to the Second Century Fund.

The grant supplements other current aid, including graduate fellowship assistance and Industrial Liaison Program participation, provided by the company.

a particular place for particular skiers . . .

A single chair-lift, rising 2000 ft., a double chair-lift, rising 1600 ft., and a T-Bar, serving a wide net-work of trails, ranging from very gentle to very steep. Mid-stations on all lifts allow circulation at upper levels.

There's no better skiing anywhere in the East!
