"Yum-Yum Tree' excellent entertainment

By David S. Nolan

under the Yum-Yum Tree, usually playing at the Asto: is entertaining an unusual comedy dedicated to the ladies. Continuing the tradition of such films as "Pillow Talk" and "Born Yesterday," its message is that sex is fun--if true lovers all were as tech-handed.

In this case, it is rep- ed by Robin Austin (Carol) and Imogene Coca as Mrs. Murphy, the gardener, and his wife provide some of the funniest lines in the movie, and add substantially to the overall enjoyment, handling their relatively minor roles extremely well.

High points of the show include the scene inside Hogan's ultra-modern mechanized wolf's den, Hogan's frantic attempts to spy on Robin and Dave while baring an overly amorous cat, and an unforgettable scene involving Hogan and a stethoscope.

All in all, "under the Yum-Yum Tree' affords a good evening's entertainment, and is well worth the price of admission.
