### Letters to The Tech

Senior House and probably in all the dorms should be exceeded. Possibly all the judicious does is empty wastebaskets and keep the public area of the dorm. Classes are not as important in dormitory rooms and Walker food prices are being raised, serious consideration should be given to these actions and remedial action taken.

### Conditions criticized in Senior House

To the Editor:

There are certain aspects of living conditions at Senior House that are causing great concern to the dormitory and Walker food prices are being raised, serious consideration should be given to these actions and remedial action taken.

First, the janitorial services in

### EVOL SPECKLED BACKWARDS IS LOVE

They met. His heart leapt. "I love you!" he cried.

"Is it true?" she asked, "then you have found a girl of expensive tastes?"

"No, no," she cried. "I am a girl of simple tastes."

"Good," he cried. "For my cruel father sends me an allowance which is not meant to support me."

"Money does not mean simple; my wants are few. Just take me riding in a long, new, yellow convertible," she said, her eyes sparkling.

"Goodbye," he cried, and ran away as fast as his little stump legs would carry him, for he had no yellow convertible, nor any other money to buy one. But the mints did get to the money—short of picking up his stumpy father by the ankles and slapping him till his wallet fell out.

### Campus Interviews March 22

**Our engineers play for 1000 dollars.**

And games. And talking horses. It's all the way into the hands of the clientele tolerates the grisly point of view, and apple seed pie may well be raised. The Neanderthal kitchens prevail—on campus. How much longer the clientele tolerates the grisly point of view, and apple seed pie may well be raised. The Neanderthal kitchens prevail—on campus. How much longer the clientele tolerates the grisly point of view, and apple seed pie may well be raised. The Neanderthal kitchens prevail—on campus. How much longer...
