Pistol squad closes season with 15 wins to 9 losses

By Bill Hamilton

The Tech Varsity Pistol Team

finished out its '63-'64 season with

an overall record of 15 wins and 9 losses. This season is encour-

aging, since only two members of the varsity will be lost due to

graduation, since only two members of the varsity will be lost due to

graduation.

This past season then should form a very good consist-

ent core for the squad next year.

Having closed out in the Greater

Boston League as division

champions, the hopes for next

season are very high. Two members of this year's

team were only present half of the year due to their being away

that year due to their being away

for the cooperative program, for

the first part of the season. These

two shooters, Bob Vogler '65 and

Scott Graham '66 have since

return had very good records.

The swinimin season came
to
t

the end of the sea-

son brought on stiffer competition,

and they lost their last five meets.

Their record this year is 5-7,

but several meets were very close,

ending of Pete Amstutz, Mike Crane,

and Professor Uich of the Uni-

versity of West Virginia as president,

the first part of the season. These

several close matches. Joe Boling

was the high scorer of the sea-

son with an average of 268. MIT
