**Why pay less than $10 for a canvas shoe?**

Frankly, the Sperry Top-Sider canvas shoe is the most expensive you can buy. But the worth every penny. The faced, exclusive anti-slip safety sole has note it in the way shoe for men and women who know boats. (Great tennis shoes?)

**Top Side**

Convenience: 756 slots in the big shaving head gather whiskers. Feed them to the cutters fast.

Comfort: The REMINGTON Roller Combs. 4 of them. Right on top of the shaving head. They push them down, pop whiskers up into cutters, so they're stroked off gently. With a cord, with-out a cord, there just isn't a faster, more comfortable way to shave.

The thought of giving up the LEKTRONIC II is enough to make a man want to become a teacher.
