Betars take IM football finals

By Art Perlman

In the finals of the A Division, Beta Theta Pi defeated defending champions SAE in a highly exciting, low-scoring affair.

The game was marked by brilliant defensive play and both offenses were highly contained. Earlier in the week, Beta Theta Pi beat Delta Tau Delta 56-0 in a semi-final tilt. In the B-League final, Phi Kappa Theta outscored Nuclear Engineering 26-18 to take the championship.

Betars score safety

In the second quarter SAE was forced to punt from deep in their own territory. The Betars marched 43 yards on eight plays, and when they reached the 1-yard line, the first signal from the ref was a holding penalty.

Phi Kappa Theta scored a safety later in the quarter when they recovered the ensuing punt snap.
