When Bob Goalby goes hunting...

"Chap Stick" goes along!

"When I get a break from the tournament tour, I like to go up north to hunt. But the change in climate sure has a way of turning my lips. They used to get annoyingly dry — even when I was just wearing a turtleneck. But 'Chap Stick' makes my lips feel good instantly. Now whether I'm out with my 12-gauge or my 5 iron, I carry 'Chap Stick.'"
