Olds 442 was here!

Whew! What you almost saw above was the lowest number in years: Oldsmobile's 4-4-2. Sporting (and standard) equipment includes a 490-cu.in., 345-hp V-8 mill backed with 4-barrel carb and acoustically tuned, chambered twin pipes. And "lilky" redline tires. And front and rear stabilizers, heavy-duty frame, springs and shocks that make lean and sway mere memories. Three transmission availabilities, too, including 3-speed synchromesh, 4-on-the-floor and Jetaway automatic. Better hurry over to your Olds dealer's. The 4-4-2 is a restless beast! (And it's the lowest priced high-performance car in America!)
